**Food Wave – Empowering Urban Youth for Climate Action-** is a project promoted by the Municipality of Milan and 30 other partners (18 Local Authorities, 11 Civil Society Organisations).

Food Wave has the aim of increasing knowledge, awareness, and engagement of young people on sustainable patterns of food consumption and behaviour.

The project is co-funded by the European Commission in the framework of the program DEAR - Raising public awareness of development issues and promoting development education in European Union. The project is developed in over 21 locations across 17 countries (16 within the European Union and 1 in the Global South - Brazil). The global network C40 is also an associate of the project.
